

The Hon Julie Bishop MP
Minister for Education, Science and Training
Minister Assisting the Prime Minister for Women's Issues

TO THE COMMUNITY OF GARRAN PRIMARY SCHOOL

On behalf of the Australian Government I would like to congratulate Garran Primary School on the official opening of their school improvements.

I regret that an Australian Government representative could not be with you today to celebrate the opening. However, the Government is proud to have provided the funding for the project.

The most important people are the students for whom these facilities are being provided. The new facilities will help to create the very best environment for you to learn and to achieve.

I extend my congratulations to the staff at Garran Primary School for meeting the constant demands that are placed upon you in nurturing your students. I know that the parents of Garran Primary School students believe their children's education is in the best hands.

Through the *Investing in Our Schools Programme* the Australian Government is committed to assisting schools in preparing students for the 21st Century. The Australian Government will continue to work with schools so that students have the opportunity to achieve to the very best of their abilities.

Yours sincerely

A handwritten signature in blue ink that reads 'Julie Bishop'.
